We have so many wonderful things to say about Newbay and the team it is hard to know where to start.

From the very beginning of the process, we were treated with the utmost professionalism and kindness and were made to feel so special. We had moved our wedding from our original location of Florida back to Ireland and were concerned we wouldn't get the same magic but from the second we started the planning with Rebecca we knew we had nothing to worry about.

Newbay itself is such a spectacular location and the grounds and house are kept to such a high standard you feel like you are stepping into complete luxury. The private nature of the venue means you have an almost unique experience of sharing your special day just with your loved ones which we think really added to the whole experience and relaxed nature of our day.

The food was absolutely delicious and many of our guests said it was the best wedding food they had ever had. Paul was so accommodating with our choices and provided great guidance when we needed it.

The staff are the real stars and are so attentive and caring that you never get the chance to ask for something, they are always one step ahead.

Rebecca was there every step of the way during our planning to answer queries, provide suggestions and advice and just generally reassure us that everything was in hand.

Maria was absolutely incredible and was so kind and understanding when we had a family emergency the week before the wedding.

Maria really did go above and beyond to take away any stress she could and we would have been lost without her. Thanks to Maria and the team our day was absolutely perfect and we have no regrets at choosing Newbay for our special day. We would 100% recommend to anyone considering it.
